Financial Director

Join Dahrouge Geological Consulting Ltd. (DGC) is seeking an experienced Financial Director looking for the opportunity to make an impact and grow our international team. You will oversee financial operations across multiple companies, drive financial success in a fast-paced environment, ensure regulatory compliance and not be afraid to roll up your sleeves.

Job Details

Salary/Wage Range: \$140,000 - \$170,000

Shift Structure: 40 hours work-week

FTE: 1.0

Financial Director Responsibilities:

- Active engagement in operations, presentations and multi-line businesses.
- Collaborate with department heads to align financial and operational objectives.
- Develop and implement financial strategies aligned with company goals, including strategic financial planning and risk management.
- Direct the formation of new companies for financial and ERP optimization.
- Manage and grow high-net worth clientele at a global level.
- Manage tax filings, financial statements (domestic and international), and guide company structuring for tax benefits.
- Oversee financial operations, including accounting, budgeting, forecasting, and performance monitoring.
- Prepare and implement training and development programs for the organization.
- Present comprehensive financial reports to the executive team and board.
- Provide executive-level financial insights and analysis, ensuring compliance and accuracy in financial reporting.
- Strong people-leadership experience with multiple direct reports, focusing on mentoring and development.
- Support business planning through financial analysis and manage mergers & acquisitions.
- Travel 10%

Qualifications, Skills & Experience:

- 10+ years of progressive finance experience, including at least 5 years in a senior leadership role and financial management in publicly traded companies.
- Bachelor's degree in finance, accounting, or related field; MBA or advanced degree preferred.
- Certified Public Accountant license required.
- Deep knowledge and experience with project accounting.
- Excellent understanding of financial regulations, compliance, and tax laws.
- Experience in public practice accounting and US accounting.

- Extensive experience in managing complex financial operations across multiple businesses.
- High adaptability and life-long learner
- International jurisdiction experience.
- Knowledge of the mining, engineering, or geological consulting industries.
- Proficiency with ERP systems (e.g., Deltek Vantagepoint), accounting software and Microsoft suite.
- Strong leadership and mentoring skills.
- Strong professional communication, public speaking, and presentation skills.

Closing Date: October 25th

Application Process:

Interested candidates are invited to submit a resume and cover letter outlining their qualifications and experience to careers@dahrouge.com. Please include "Financial Director" in the subject line.
